Address
Tegner Str. 2
Berlin
10439

Skills

Swift
Objective-C
C, C++
Java
Python
JavaScript

Services

Focussing on solutions for Real-World problems with hands-on development with Swift for iOS and macOS helping improve customer satisfaction.

My preferred languages not only include Swift, but I have knowledge of C, C++, full stack, front and back end with PHP, JS, and JQuery. I also love Python.
